MYSORE GOVERNMENT OFFICE.

Local Boards BRANCH.

OFFICE NOTE.

SUBJECT.

The rate of duty now levied in the municipality of Mysore on Tobacco

From the printed list of dutiable articles in the City of Mysore, it was learnt that Octroi duty at the following two different rates was being collected in Mysore.

(1) Tobacco at Mysore Rs 3-0-0 per maund

(2) Do or Cigars of other Provinces } 3-8-0.

though in Para 2 b of Govt Proceedings dated 27 September 1879 cto $\frac{3362-73}{\text{Ml } 161}$, a uniform rate of Rs 3 per maund was ordered to be levied.

The President was therefore requested to state the authority and reasons for the existence of

Partap. Chief Com is requested.
1879. 13/7

Copy of Rev. manual submitted
13/7

the two deffevent rates, contrary (2)
to the orders of 27 September 1879.
+ He stated in reply that c/o 4485-07 16/4/95
a rate of As 3-8-0 was collected
on imported Tobacco and As 2-8-0
on the local produce in addetion
to ^ halat duty of one rupee on the latter levied
at the place of production and
that on receipt of Govt order
dated 24 Dec 1879 c/o 4914-28/M-243
~~and that~~ the halath was
abolished and the Octroi duty
of As 3 ~~was~~ was collected as
prescribed in Para 26 of Govt
Pro dated 27/9/79 c/o 3362-73/M161;
while the previously existing
rate continued to be levied on
imported Tobacco as ~~theretofore~~.

The President who was
+ requested to quote the authority + c/o 19928-07 10/5/95.
sanctioning the rate of As 3-8-0
per maund, submits a Kanada
Isthehar of 1864 prescribing ^ a duty
of 3½ As per maund of Tobacco
and ~~that~~ a copy of the resolution of
the Municipal Board dated 27/10/79
approving of the marginally noted rates & states
that no other orders are available on the subject.
Submitted for orders as to
whether the tax on imported Tobacco
may not be reduced to As 3-0-0 in accordance with Para 26 Pro 07

+ (1) Imported Tobacco As 3-8-0
(2) Local produce — 2-8-0

Memo

Sir.

Cocoanuts, Betel leaves and Tobacco are the only 3 articles, which are subjected to Octroi in the municipality of Bangalore The Board now recommend the extension of the duty on the marginally noted ~~following~~ articles at rates entered against each, but do not state the probable amounts which may be derived annually.

1 Castor oil seeds Rs 0–4–0 Per Candy
2 Gingelly — 0— 0–4–0 — 0— .
3 Lime stone — 0 4–0 Per Cart load
4 Sheep and Goats 0–1–0 Per head
5 Timber. 1–0–0 to 0–6–0 } Per cart load according to the quality of wood and description of carts

I may beg to add that in March 1891, the Municipal Board proposed the introduction of Tolls and Tax on carriages and animals and their proposal is pending the final orders of the Dewan Bahadoor with the Councillors opinion as below

"I do not think we could sanction the introduction of Tolls, unless the same is introduced into the Cantonment municipality. The preferable course would be to charge Octroi duty on cloth both in the City and Cantonment municipalities. If the Dewan agrees, the Resident has to be written to".

The above reference has been obtained and submitted below

At present Cantonment & Municipality levies Octroi on such articles as are subjected to Octroi duty in the City and the latter are not in favour of taxing Cloth as will be seen from the Boards Proceedings now submitted.

The Proceedings of the Rate Payers association protesting against the proposed extension of the Octroi tax and requesting that the Govt to defer passing orders thereon till the general elections take place in July next are also submitted for orders

T M Jagannatham
20/5/92

Note.

The octroi rules are not in force, though octroi continues to be levied. The existing municipal regulations which repealed the octroi rules includes the provision for the levy of octroi. If the Regulation is to be interpreted as allowing latitude for taxation other than what is expressly mentioned therein there is nothing to prevent our assimilating the duties on foreign & home-grown tobacco. Practically the municipality has been so interpreted since the levy of octroi in spite of it not being mentioned therein.

Municipal Committee

Memo

The President of the Bangalore City municipality in his letter cls 7 S.07 8/10/96 proposes to extend the Octroi duty to foreign Tobacco, which is being taxed in the C & M Station municipality.

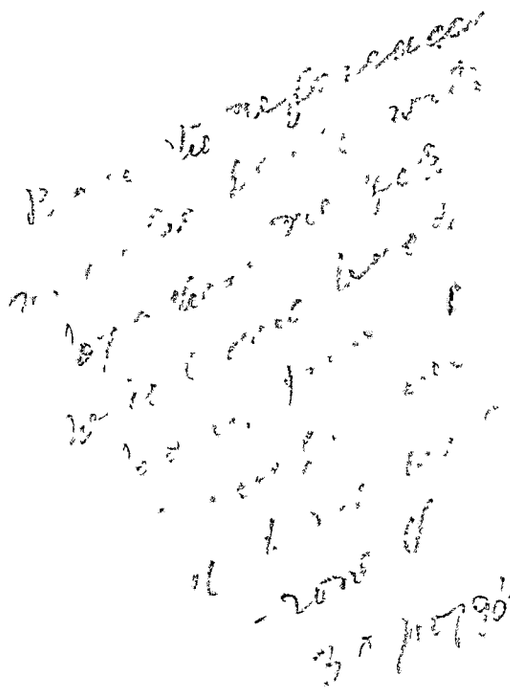
(2) Octroi is levied in the City of Bangalore under Octroi rules framed under Act XVIII of 1864, which Act is not in force, though the Rules still are. These rules tacitly exempt foreign Tobacco from taxation. A copy of the rules is now before the Secretary for disposal of a question

Please see serial cls-
in L. F. cls 1480/92

An extract of para 1 of the rules is submitted for ready reference Dy

raised by the President of the Municipality as to whether imprisonment may be awarded for default of payment of fine imposed in cases of smuggling

(3) The Govt were unable to sanction immediately a similar proposal made by the President to bring under Actor "Foreign Tobaccos" (Please see Pro no 3302/L.F.148 92 of 1-9-92 Serial no 7 in the file); with the original letter from the President for consideration was transferred to the Committee revising the municipal Regulation, of which the 1st Councillor was then the President.



in 1892

(4) The President's reference and the Govt Proclamation in regard to the introduction of measures & Rates in the City and Station of Bangalore are said to have been submitted with L.692 from the President submitted on 30/9/96

(4) The President having suggested a conference by a Joint Committee for the purpose of considering what additional Actor should be passed, the Govt of the City

-early- has been asked to arrange early & to report the results of such conference for the orders of Govt. [illegible]

5 – The Presdt suggests that the words "(Indian manufacture)" in lieu of the Cotton Rules may be adopted in Notifn, for the following reasons:–
(1) the analogy of the U.K. Statute,
(2) great loss to the City Mcl revenues;
(3) it also affects the revenue of the Cotton Statute.
(4) great facilities for smuggling,
(5) unfairness to dealers in native tobacco.
The only doubt is whether the [illegible] proposed this notifn should be issued.

Subd to Secretly
29/01/06

6 – That question may be over until the result of the conference is known & until the Regulation is amended in the manner suggested.

Subd by Secy to Govt

17-11-26

I am of opinion that it is, by the same time as the Regulation, necessary that it should be amended, so as to [illegible] the [illegible] [illegible] [illegible]

Secy's queries on office Memo in L. F. cls 1408 of 92 on Foreign Tobacco

(1) Do these rules find a place in the schedule appended to the Instrument of Transfer.

(2) Does this requires any formal sanction by the Govt of India.

Sir

(1) Octroi Rules of 1871 do not find a place in the schedule referred to.

(2) Para 19 of the Instrument of Transfer requires the sanction of Govt, when any of the rules included in the schedule has to be repealed or modified. It is a question for consideration whether any reference to India is necessary or not, ~~even~~ when any change in the rules passed once by Govt of India but not included in the schedule is attempted. ~~From enquiries made in the Legislative Branch~~, There are no precedents available in the Legislative Branch ~~from~~ (3) + From letter to Resident — paper cl 4, it is evident that the Mysore Govt agreed to levy Octroi on all Tobaccos as in the C & M Station at 3 Rs

GOVERNMENT OF MYSORE.

GENERAL.

PROCEEDINGS.

Dated 4th December 1889

No 7C 29
Or 161

Relative to the prevention of the smuggling of articles on which octroi duty is levied

Mysore Govt. Central Press, Bangalore.—8 1-90.—120.

Proceedings of the Government of His Highness the Maharaja of Mysore, (General),—dated 4th December 1889.

READ THE FOLLOWING PAPER —

Letter from the Deputy Commissioner of Mysore, dated 5th August 1889, No 349.

No. 7072-9—CIR. 161, DATED, BANGALORE, 4TH DECEMBER 1889.

ORDER THEREON —The Deputy Commissioner requests that the rules framed under Section XIII, Act XVIII of 1864, may be extended to the Mysore Municipality to prevent smuggling of articles, on which octroi duty is levied.

The Government observe that Act XVIII of 1864 which applied only to the City of Bangalore is not now in force, and the rules framed thereunder cannot be now brought under operation without a special enactment.

2 The octroi duty is now collected in the Municipalities, not under any special regulations, but according to usage and the Chief Commissioner's Order, dated 27th September 1879, No 3362-73—161 Although there is nothing to prevent the collection of duty according to usage and the existing orders, it is doubtful whether any rules for the imposition of fines for disobedience to orders can be framed and acted upon without a special regulation authorizing the issue of such rules. The matter will be considered hereafter Meanwhile the Deputy Commissioner is requested to report the number of cases in which smuggling has come to notice within the last five years in the several Municipalities of the District, and submit draft rules which he would propose to introduce

A copy of these Proceedings will be forwarded to the Deputy Commissioner of Bangalore, with a request that he will report how the collection of octroi duty is enforced in the City of Bangalore, and whether the issue of an enactment and rules is necessary, and if so, what rules he would introduce.

To.

The Chief Secretary
to the Government of Mysore
Bangalore.

Sir

In forwarding herewith an extract of the Boards Resolution of 30th April last in re imposition of Octroi on articles other than those taxed now in the City of Bangalore, I have the honor to request the favor of your obtaining the orders of Government on the Boards recommendations.

The articles on which the Octroi is now levied are:—

Tobacco
Betel-leaves
Green Cocoanut
Dry Cocoanut

The

The income derived from Octroi is about 2000/- or Rs 40000/- less than what is realized in Mysore. The Board have for some time had under consideration the question of raising the Municipal revenues with a view to meet the increasing demands on them. The articles on which Octroi was levied were few and the Board did not see why other articles which were taxed in Mysore should not be subjected to Octroi in Bangalore also A Sub. Committee was appointed to considering the question and copy of their recommendations is herewith submitted The proposals made below embody the modifications in rates adopted at the Board's full meeting.

No	Name of excisable articles	Rate proposed by Sub. Comt	Rate as resolved by the Bo

Extract from the Proceedings of an Ordinary meeting of the Bangalore City Municipal Commission held on Saturday the 30th April 1892:—

VIIII Report of the Sub committee in re Vebroi

Resolution:— The Sub committee report is adopted with modification that the tax on Sugar & jaggory will be oppressive and may be omitted. The other recommendation with the modifications in rates made be submitted for approval of Government.

/Signed/ V.P. Madhava Row
President

(True Extract)

/Sd/ Madhava Rao

President

To

The President
City municipal Commission
Bangalore

Sir

We, the undersigned members of the subcommittee appointed by the Board under resolution dated 29th January/92 to report upon the matter of levying Octro in the City as in Mysore Town, having the day met at the municipal Office and discussed the subject most carefully, beg to recommend that among those in force in Mysore, the following are the articles which the sub Committee consider may be subjected to Octroi at the rates mentioned opposite each item

(1) Castor Oil seeds at 4 as. per candy of 160 measures (seers)

(2) Gingelly seed at 4 as. —do—

(3) Lime Stone or Chunam Powder } at 4 as. per cart load

(4) Sheep and Goat at 1 anna per head.

(5) Timber Sagvani } at 1 Rupee per cart drawn by two bullocks.

Do at 8 as. if drawn by waddar carts for 18¾ or less c ft.

Do at 8 as. if brought in single bullock cart 12½ or less c ft.

Inferior Timber logs from Govt. woodyard } at 8 as. for 25 or less c ft.

Jungle wood at 8 as. if brought on carts drawn by two bullocks.

Jungle wood at 6 as. — if brought on waddar cart 18¾ or less c ft

Do at 6 as if brought on cart drawn by a single bullock 12½ or less c ft

And we do not recommend any tax being levied on the articles noted hereunder

(1) Areca nuts – because one or more tax has already been levied

(2) Butter and Ghee } because the income is small and it is likely to prove a source of annoyance to the people

(3) Cloth (Indian manufactor)

(4) Oil -

The above may be brought into force from 1st October/92 being the commencement of the 2nd half of the Official year if sanctioned by Government and due notice to the public be given regarding the introduction of the new Octroi

We have the honor &c

Sir,

Referring to official memo no 8357 / Lt. 148-92 dated 26th November 1894, calling for report as to whether two different rates of octroi are collected on tobacco of the Mysore Province and on that imported from Her majesty's Territories in the Coorg Municipality, I have the honor to state that Rs 3-8-- on imported tobacco and Rs 2-8-- on the Local produce was collected as octroi in this Municipality.

But in addition a Halathi of

of one rupee was levied in the place of produce in the latter, and after receipt of Government order no 4914-28 / Rt. 243. dated 24th December 1879, the Halala was abolished and the octroi duty of Rs 3- per maund was collected as prescribed in para 26 of Government order no 3362-73 / Revd 161 dated 27th September 1879 while the former rate of Rs 3-8-- per maund is being levied on imported tobacco as usual.

Mysore City Municipal
President's office Mysore dated
the 3rd August 1895.

From,

The President
Mysore City Municipality.

To,

The General Secretary to the
Government of Mysore.
Bangalore.

Sir,

With reference to Government order no 927 / L.T. 148-92 dated the 18th July 1895 enquiring if the rates of octroy duly referred to were inclusive or exclusive of the sayer duly, I beg to state that the sayer duly was being levied on tobacco at the place of production in addition to the octroy imposed at the place of consumption. Then the sayer duly was abolished and only the octroy was continued, and as per late Chief Commissioners order no 3362-73 / Revenue 161 dated the 27th September 1879, 1/4 of it was credited to the Provincial Funds and 3/4ths to the Municipality till the 30th June 1893. But from the 1st July

OFFICE OF THE MUNICIPAL COMMISSION
City Bangalore, 8th October 1896

No. 75
Environ

From

The President, Municipal Commission
Bangalore City

To

The Secretary to the
Government of Mysore
General and Revenue Departt.
Bangalore

SIR,

I have the honor to submit for orders of Government the following details in re English and Foreign tobacco.

2 All Foreign tobacco is exempted from Octroi duty in the City, while it is subject to and pays the same excise duty as country tobacco in the Civil and Military station. The Municipal Regulations in the latter provide for the levy of Town duty i.e. a duty on all tobacco indiscriminately

indiscriminately. It is not so in the City. The Octroi Rule is so explicitly worded that it completely excludes all English and Foreign tobacco and mentions only that "tobacco of Indian manufacture" is liable to Octroi duty.

3. There has been some correspondence on this subject; and the final settlement of the question is de-pendant on the revision of the present Municipal Regulations, which, it is feared, will take a long time before being brought into oper-ation while the present question of levying Octroi on Foreign tobacco is most pressing and needs prompt measures.

4. The Octroi which was abolished in the Civil and Military station Municipality was re-established in the year 1892, while it always

continued to be in force in the City.
From the correspondence extant
on the subject, I gather that while
re-introducing the Octroi in the
Civil and Military station in the
above year, the understanding ar-
-rived at by the Durbar and the
British Resident appears to be
that the system and rates to be
levied in both Municipalities
should be the same and uniform
without any variation. It was,
I believe, to give effect to this
arrangement that the old rate
of tobacco duty in the City was
reduced from Rs 3/8 to Rs 3/- per
maund, thus assimilating the
rates with those proposed and
adopted for the Civil and Military
Station as shewn below:-

Tobacco Rs 3/- per maund.

Betel-leaf Rs 0-2 per bundle.
Green Cocoanuts Rs 0-8-0 per 100.
Dry Cocoanuts Rs 0-8-0 per md.

5 The non-levy of an Excise duty on Foreign tobacco in the City is a great loss to the Municipality and to a great extent must affect the Octroi Revenue of the Civil and Military Station which is borne out by facts noted by Mr. Slight, President of that Munici-cipality in his Administration Report of last year (Extract enclosed).

6. The number of shops where Foreign Brandi are sold in retail has been ascertained to be 196 and those trading in wholesale 6. But the more noticeable circumstance is that 3 of the merchants who deal in this Brand in the Civil and Military Station habitually

Collect and store large quantities
of the above Brands in the City. They
allege that they do so either to take
the article to the Civil and Military
station Kati in small quantities
whenever required, or as a means of
facilitating exports of the same
to any out-stations, if necessary.
This is true to a very limited extent;
but the fact is not to be ignored
that facilities for smuggling this
tobacco from the City into the Can-
-tonment are many and the main
object of the formation of Depôts
for Foreign Brands in the City
is to take every advantage of
these opportunities for a Contraband
trade the centre of which is in the
City. Again, the general Complaint
of the merchants who deal largely
in native tobacco is that

and the same article duty is levied
in one place and vice versa in
another which is not justifiable
and that greater impetus is given
to the trade in Foreign Brands
while the Indian grown leaf,
which is used principally by the
low classes, is heavily handicapped.
Moreover the existence of such a
state of things gives room for much
abuse and frustrates the object
which was originally intended
viz., that the system of levying
Octroi duty should be the same
and uniform in both the Munici-
-cipalities.

7 From the experience I have
gained by a study of the Octroi
working and from two or three
instances which came to my know-
-ledge in connection with the

the importation of Foreign stocks into the City, I am decidedly of opinion that the freedom with which Foreign tobacco can be brought in and stacked in the City is taken great advantage of by dealers, who, I fear, have a systematic plan of smuggling their Foreign tobacco across the boundary into the Civil and Military station, for, without such an object there will be no necessity for merchants trading in the Cantonment — making their depôts for these brands in the City.

8. Under these circumstances, I would strongly recommend that the usual Octroi in the City be levied on all tobacco-Foreign and Native- and solicit that Government will be pleased

authorize the same at an early date In this connection I beg to suggest that in order to bring into operation the proposed levy of Octroi duty on Foreign Brand, a Notification may be issued to the effect that the words "Indian manufacture" after tobacco in the Octroi Rules of 1891 be expunged. The British Resident has, I understood on more than one occasion, inquired as to why no Octroi duty is levied on English and Foreign tobacco in the City while such is being done in the Civil and Military station.

9 The favor of early orders on

this

this subject is solicited.

General & Revenue Department
Bangalore

SIR,

In continuation of my letter No. 75 dated 8th October '96, I have the honor to represent to you it has come to my knowledge that a system of fraudulent manufacture of so called "Foreign Tobacco" is being carried on in some of the villages situated without Municipal limits but lying very adjacent thereto and the procedure is somewhat as follows.

L746.
C.S. 7148-92 and -96 was sent to the Dewan on 25-11-96.

2.- Indian tobacco is [illegible]

large quantities by dealers in
their villages; this tobacco is
manipulated and doctored by
certain simple ingredients and
scented oils which conveys to the
Indian tobacco a similarity in
aroma and taste to Foreign
tobacco. The leaf is then put
under a machine and subjected
to a chopping and shredding pro-
-cess and the result is a finely
cut tobacco which to all appear-
-ances is exactly like imported
Foreign tobacco. This base imi-
-tation, which it is not easy to
detect, is placed in tins and
brought into the City, where it
passes muster as "Foreign" tobacco
and does not pay any duty,
for as pointed out to you in
my letter No 95, no tax is levied
on

an Foreign Brands. Consequently the fraudulent imitation is sold in the bazaars at a much lower rate than Indian tobacco which is handicapped by the Octroi tax, and in the near future one may expect to see that there will be an enormous increase in so called "Foreign to-bacco" free of tax which will be used by all smokers, while the consumption in Indian tobacco will fall off and there will be a considerable decrease in Octroi on tobacco.

3.- Then again I beg to point out that the City becomes still more strongly the Centre depasit for such fraudulently manufactured articles and our Municipal limits made the basis.

operations for a further develop-
-ment of smuggling Contraband
Goods to the Civil and Military
Station. As the matter stands
at present I am utterly powerless
to check the importation of
Foreign tobacco which Comes into
the City free and a stop Cannot
be put by our Octroi Department
to the smuggling which I firmly
believe is increasing daily.
4- These irregularities Can only
be kept in subjection by the
imposition in the City of the
same Octroi duty on Foreign
tobacco as is Collected on Native
Growths, and I submit it is only
fair and equitable to the growers
of the Indian weed that this
should be done. The omission
to impose a duty on Foreign

Brands in the City, in the same way as is done in the sister Municipality of the Civil and Military station is altogether inexplicable as it has always been the aim and object to arrange the town duties of both Corporations on the same standard and in parallel lines. I solicit, therefore, that sanction may be given to the imposition of the town duty of Foreign tobacco with effect from the 1st January 1894.

5.- I enclose a specimen* of tobacco manufactured locally from Indian leaf and introduced to the public, free from payment of town duty as good "English or American" Brand. To the ordinary

*The sample bears Govt Stamp Refund for Sumatra tobacco U.S. drawn

of Foreign Brand this manufac-
-tured article would readily pass ex-
-aminer, and when made into
Beedees or Bazaar Cigarettes, it
defies detection from the genuine
article, except to connoisseurs of
the fragrant weed.

I have the honor to be
Sir
Your most obdt Servant.

The President, Municipal Commission,
Bangalore City

To

The Secretary to the
Government of Mysore
General & Revenue Depart.
Bangalore

Sir,

Adverting to previous correspondence ending with this Office letter No 147 dated 22d Dec/96 re imposition of duty on Foreign tobacco, I have the honor to invite attention to letter No 1105/530 dated 11th January/91 from the Chief Secretary to the Dewan of Mysore to the First Assistant to the Resident in Mysore, Copy of which was forwarded to this Office with Government Proceedings No. 1105-3/1459 of the same date In this letter it is stated

the Durbar are quite willing to allow the City Municipality of Bangalore to levy the same rates of Octroi duty as those proposed for the Civil and Military Station viz Rs 3/- per maund (24 lbs) of tobacco whether Mysore grown or imports from outside the Province. I presume that Foreign tobacco i.e. European and American tobacco, is included in the imported article from outside the Province as well as tobacco grown in other parts of India. If I am right in this presumption, I beg that the enclosed draft Notice may kindly be approved and forwarded to the Compiler of the Mysore Gazette for publication so that the Foreign tobacco may be taxed at once. The loss to the Municipality is great and since the

date

date of my last Communication to Government on the subject another instance was brought to my notice in which 10 Cases Containing Stick Tobacco valued at ~~Rs~~ 1000/- to ~~Rs~~ 1500/- and intended for the Mess House in the Civil and Military Station were stored in the City Octroi Kati for which not a pie of duty was paid.

I have the honor to be
Sir
Your most obed.t Servant

T. T. Leonard
PRESIDENT, MUNICIPAL COMMISSION,

OFFICE OF THE MUNICIPAL COMMISSION,

No. 141

City Bangalore, 25th January 1898

From

The President, Municipal Commission,

Bangalore City.

To

The Secretary to the Government of Mysore,

General and Revenue Departments,

Bangalore.

Sir,

In continuation of my letter No 226 dated 15th March last re Foreign Tobacco, I have the honor to state that the Joint Committee of the Station and City Municipalities which met on the 19th December 1896 for the purpose of discussing the feasibility of adding to the list of articles subject to Octroi in both Municipalities alike, had decided that Octroi should be levied

also upon Foreign Tobacco imported into the City Municipality in assimilation with the practice obtaining in the Civil and Military Station Municipality.

2. Subsequent to this, the Proceedings of the Joint Committee were placed before the City Board on the 16th December 1899 and the Commissioners fully approved of the same.

3. In view therefore of enabling the City Municipality to levy the excise on Foreign Tobacco, I beg that the Draft Notification forwarded with my letter under reference may be published at a very early date in the Mysore Gazette. The City Municipality

are daily losing revenue by the
levy of the Excise duty on For-
-eign Tobacco, Consumption of which
in the City is very large.

I have the honor to be
Sir
Your most obt. Servant

L. T. Hermsby
